

Tampere Goes Agile 2014

25.10.2014 @ Sokos Hotel Ilves, Tampere, Finland

Agile Finland ry organizes the 5th Tampere Goes Agile -conference on Saturday 25.10.2014. The venue this year will be Sokos Hotel Ilves, fitting 140 participants. Conference is targeted to bring together the agile community in Tampere with other agile enthusiasts around Finland and visiting international speakers and bring positive energy for developers and other software professionals in Tampere region. The conference will be free of charge for the attendees.

As before, we're relying on the company collaboration in making this great event possible and even greater - the event needs sponsors.

WHY SHOULD YOU SPONSOR

Organized on a Saturday, the conference attracts professionals motivated in developing their skills by contributing their free time on learning about agile and connecting with others. Some of them will be looking for work opportunities and others look for ways to help their organizations improve in developing valuable software.

Whether you are looking for passionate developers, create tools or trainings for them, or can help their companies in the transition to agile, by sponsoring Tampere Goes Agile you can distinguish yourself as one of the uniquely agile organizations.
